

This month I have been highlighting the campaign that Local Food is Miles Better. I was therefore pleased to have the chance to visit the Hay-on-Wye Food Festival and buy some fresh local produce, which is an excellent way of supporting local producers here in Brecon and Radnorshire, in turn reducing food miles and is good for our economy.

In June I have also attended various events including the Brecon Civic Procession, the concert by Brecon Town Band and lastly but not least the Brecknock Young Farmers Rally which I must say was an enjoyable day watching competitors compete in various competitions from cookery to sheep shearing. I also made a trip up to Radnor School to open their new ICT suite and website, and enjoyed a presentation by pupils.

I have been supporting Llanwrthwl Community Council's campaign to improve safety at the Llanwrthwl junction off the A470 and raised this matter with the Minister for Enterprise, Innovation and Networks.

I have signed Statements of Opinion on:-

Local Food is Miles Better
Supporting Community Radio

I have asked Written Questions to Ministers on:-

Decisions by the Health Commission Wales IPC Panel

In the Assembly I chaired the Standards Committee, I also had the chance to meet members of the Gladestry WI, pupils from Llangattock Church in Wales School and Builth Wells Primary School. I spoke in the Plenary session on the provision of ambulance services and voted to defeated the proposed changes to the TB compensation scheme.
